LEZ ZEPPELIN Lez Zeppelin 1

Track Listing: Good Times Bad Times, Babe I'm Gonna Leave You, You SHook Me, Dazed and Confused, Your Time Is Gonna Come, Black Mountain Side, Communication Breakdown, I Can't Quit You Baby, How Many More Times

Rating: 6 stars!

Interestingly enough, I saw this Led Zeppelin tribute band many years ago & back when I saw them they had some different members in the band, but the core that stayed with the band, Steph Paynes on guitar & Leesa on drums have remained in tact & have recently released a full length record of Zep covers....the record is full on Zep covers with little impromptu & the girls cover these gems faithfully with perfection to both timing, tones & groove; the ONLY noticeable difference is that Robert Plant's instantly recognizable vocals are sung by Shannon & I'm not really sure which I prefer because Shannon is actually a

better singer than Mr. Plant, but Zep is Zep & it's the roots of hard rock, a band who created a sound & style that every other hard rock band since had imitated time & time again!

"Dazed and Confused" is a kick ass rocker, "Communication Breakdown" is fast & crunchy and "How Many More Times" has an amazing groove mixed with powerful guitar licks & crazy drums...this record is the full on Led Zeppelin experience & that's EXACTLY what Lez Zeppelin IS, it's 4 females who re-create the Led Zeppelin experience very true to form & this is a kick ass cover record from start to finish!
