SNAP

Weekend Photography Course PRICEY but worth it for keen snappers and David LaChapelle wannabes. The two-day course is taught by professional photographer Nigel Wilson, who shoots for BBC TV, newspapers and teaches around the world. He'll show you what the funny knobs, mysterious buttons, settings and that irritating red squiggle on your camera mean, and how to get every penny out of the Pounds 200 you paid for it. Wow your mates with your knowledge of aperture and shutter speed. Booking and own camera required.

. Sat-Sun, Percy Street Studios, 30 Percy St W1, 020 7793 8664, 10.30am-5.30pm, Pounds 175.

Tube: Tottenham Court Rd

ROCK

Lez Zeppelin UNBELIEVABLY, no one coined the pun before them. This critically acclaimed New York-based four-piece is not the first tribute band, but perhaps the first all-girl tribute band to the supremely influential Seventies English rockers **Led Zeppelin**. For nearly three years the gals, all fantastic musicians, have toured the States performing passionately energetic Led Zep covers with the Press hot on their tails. The band play their long-awaited debut UK gig on Sunday as a preamble to their debut album.

. Sun, Mean Fiddler, 165 Charing Cross Rd WC2 (020 7434 9592), 7pm, Pounds 10.

Tube: Charing Cross
